NOTE: Samples that require extraordinary handling (e.g. unusual sample preparation, extra safety measures, hazardous sample disposal) will incur additional charges. The fees quoted will be honored for samples received within the next 90 days provided there are no changes in the test procedure or deviations in sample description or quantity. Nova Biologicals, Inc. is committed to performing all testing in accordance with our understanding of GLPs. Test results are applicable only to the samples being tested within the limits of the testing procedure identified and are not necessarily indicative of the characteristics of any other samples from the same or other lots. Nova Biologicals, Inc. shall not be liable, under any circumstances, for any amount in excess of the cost of the test performed. Portions of testing may be performed by a subcontracted laboratory. Nova Biologicals assure work requiring accreditation is placed with a NELAP-accredited laboratory or one that meets applicable statutory and regulatory requirements for performing the test
